DECLARATION

I, the undersigned, declare and say as follows:

I am the inventor of the invention disclosed in the above-identified patent application;

During the period of time when said invention was conceived and made, I was employed by Honeywell, Inc., assignee of the above-identified application;

The invention was conceived and made by me while employed by Honeywell, Inc. during working hours while performing regular duties carrying out experimental and research work relating to said invention and while using Honeywell Inc.'s facilities, equipment, materials, funds, information, and services; and

The invention disclosed in the above-identified application bears no relationship to the performance of work under contract with the National Aeronautics and Space Administration.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Milton Ortiz

RE: Serial No.: 09/992,250
Filed: 11/14/2001
Inventor: Steven H. Halfmann, et al.
Attorney Docket No.: 170-99-X03

Dear Ms. Jeter,

Per our phone conversation this morning, attached is a signed NASA declaration from inventor Milton Ortiz in response to the Notice dated as mailed July 2, 2002. As you requested, we will not mail the original document to you.

As you know, we filed the original NASA declarations for the remaining five inventors on August 12, 2002.

We respectfully request that you please add the attached declaration to the subject file.

Please call me at 602-365-2506 if you have any questions or concerns about this matter.

Thank you.

-Jean Cupeta
